## About Us

*No Tears has laid its foundation in the year 2000 at Agra, the city known for eternal love. The shelter home established here focuses chiefly on Women Empowerment, Gender Equality, Importance Of Education, Women Safety, Against Women & Child Abuse, Say No To Alcohol, and Importance of Health & Hygiene. The second extended charity shelter home of No Tears Foundation was laid in the pink city of Rajasthan- Jaipur. These two prime locations were deliberately chosen by NO TEARS considering the major problems faced by people there. The helpless, deprived, and unaware group of local people required special attention and effective ways of imparting knowledge about various alarming issues concerning their society, health & lifestyle.*

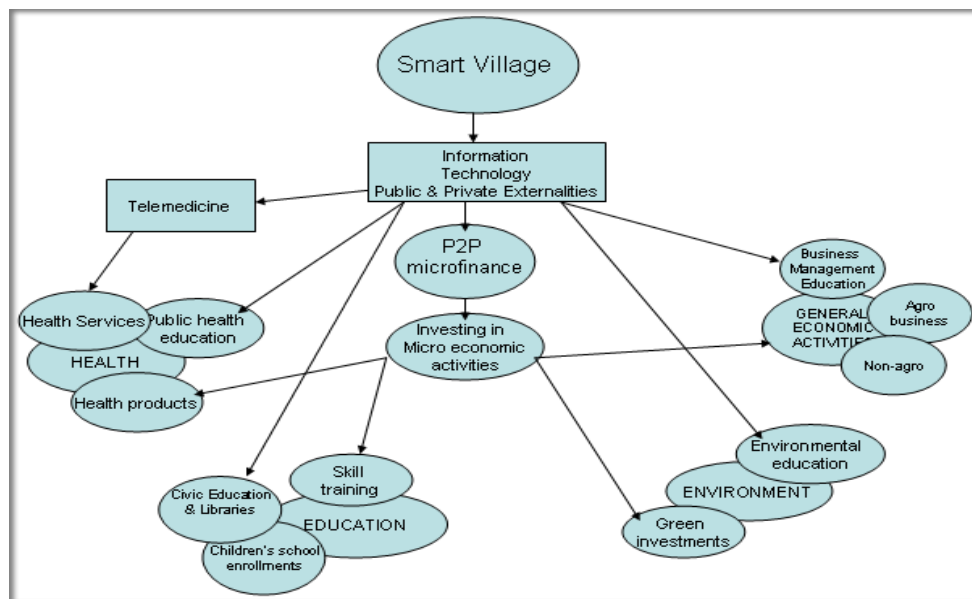

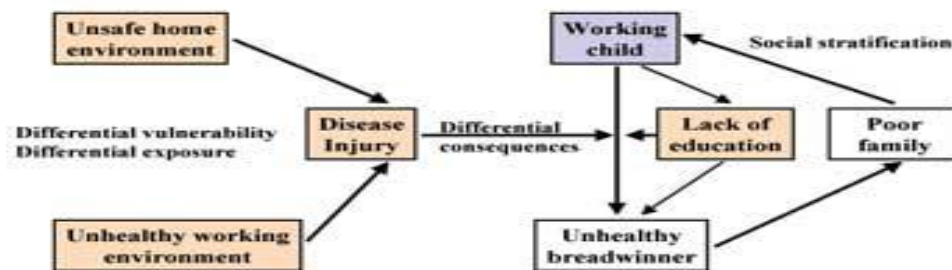

*No Tears strives to bring positive changes by three ways:-*

1) bringing enlightenment through knowledge

2) targeting root-causes through special campaigns

3) bridging the gap between scarcity and availability
